

JOB VACANCY

WESTMAN LUMBER SUPPLY LTD.

Position: Kitchen & Finishing Sales Associate

Posting Date: 2 December 2025

Location: Brandon, MB

Closing date for applications: The position will remain open until filled

Start date: As soon as possible

About The Role

Westman Lumber Supply Ltd. is seeking a creative **Kitchen & Finishing Sales Associate** to join our growing team. This role focuses on **designing beautiful, functional kitchen spaces** and **providing expert guidance** on finishing products, **including flooring, paint, faucets, and lighting**.

You will work directly with homeowners, builders, and contractors to deliver customized product recommendations, and exceptional service, from project concept to completion.

Key Responsibilities

- Lead customers through the kitchen design process, offering expert advice on cabinetry, countertops, hardware, and layout.
- Assist with finishing product selection, including flooring, tile, paint, lighting, plumbing fixtures, and related materials.
- Create professional kitchen layouts and renderings using 2020 3D Design (or similar) software.
- Conduct in-depth client consultations to understand project goals, style preferences, and budget.
- Prepare accurate quotes, proposals, and sales orders; follow up to support customers through each stage of their project.
- Maintain and enhance showroom displays to reflect current trends and available inventory.
- Collaborate with team members, suppliers, and contractors to ensure seamless project execution.
- Develop strong client relationships and deliver outstanding, solutions-driven customer service.
- Stay informed about current design trends, new products, and industry standards.

Requirements

- High school diploma or equivalent; post-secondary education in interior design, kitchen design and bath design, construction, or a related field is an asset.

- Previous experience in kitchen sales, interior design, or finishing product sales (flooring, tile, paint, lighting, plumbing) is preferred.
- Proficiency with design software such as 2020 Design, SketchUp, or similar is an asset; ability to interpret blueprints or floor plans is an advantage
- Strong communication and interpersonal skills with a professional, customer-oriented approach.
- Excellent attention to detail, strong organizational skills, and a problem-solving mindset.
- Ability to work independently as well as part of a collaborative team environment.
- A positive attitude, eagerness to learn, and willingness to participate in ongoing training.

If you have an eye for design or a background in kitchen sales, this could be the perfect opportunity for you.
